ECHS Category - TCRF

**Personal and confidential**

*Fully insured commercial members in California should not use this form*

**Applies to:**

**All Aetna plans, except Traditional Choice<sup>®</sup> plans**

**All Innovation Health<sup>®</sup> plans, except indemnity plans**

**All Health benefits and health insurance plans offered and/or underwritten by  
Texas Health + Aetna Health Plan Inc. and Texas Health + Aetna Health Insurance Company  
(Texas Health Aetna)**

**aetna<sup>®</sup>**

Here's the form you requested for transition-of-care coverage from the health plan. If we approve your request, the health plan will cover ongoing care at the highest level of benefits from

- An out-of-network doctor
- A doctor whose network status has changed
- Certain other health care providers who have treated you

Once we review your completed form, we'll send you a letter explaining our decision.

## **Some things you should know about transition-of-care coverage**

You'll find answers to commonly asked questions about transition-of-care coverage on the other side of this form. You should read them before filling out this form.

Transition-of-care coverage does not apply if your provider is in the plan's network (participating) or is part of your plan's highest benefit tier. The DocFind<sup>®</sup> online provider directory is found on the health plan's webpage. It can tell you if your doctor is in the network or help you find a participating provider for your health plan. You can also call us at the phone number on your ID card.

## **How to complete the form and get it to us**

Step 1: Fill out these sections:

1. Section 1 (Group or employer information).
2. Section 2 (Subscriber and patient information): Plan information is on the front of your ID card.
3. Section 3 (Authorization): Read the authorization, then sign and date the form.

Step 2: Give the form to the doctor/health care provider to complete Section 4, including the diagnostic and treatment information requested on page 4.

Step 3: **Fax** the completed form to us for review. You should complete one form for each health care provider.

**Fax medical and mental health/substance abuse requests to 1-959-888-4260**

**Be sure to complete all fields on pages 3 and 4.** Your request will be answered faster that way.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of subsidiary companies, including Aetna Life Insurance Company and its affiliates (Aetna). Aetna provides certain management services on behalf of its affiliates.

## Transition-of-care coverage questions and answers

Q. What is transition-of-care (TOC) coverage?

A. TOC coverage is temporary. You can get TOC when you become a new member of a medical benefits plan or change your plan, and you are being treated by a doctor who:

- Is not in the plan's network
- Is not included in Aexcel, tier 1 (for tiered network plans) or plan sponsor specific networks, and your benefits change to include one of these networks

TOC coverage can also apply when your doctor leaves the plan's network or changes network status or if certain laws or regulations require coverage. Approved TOC coverage allows a member who is receiving treatment to continue the treatment **for a limited time** at the highest plan benefits level.

TOC coverage is only for the requested doctor. Except in New York, TOC coverage does not include health care facilities, durable medical equipment (DME) vendors or pharmaceutical items. If we approve TOC coverage, the doctor must use a health care facility, DME vendor or pharmacy vendor in the plan's network. If you want to request coverage for a vendor or facility outside the plan's network, call the Member Services phone number on your ID card.

Q. What is an active course of treatment?

A. An active course of treatment means you have begun a program of planned services with your doctor to correct or treat a diagnosed condition. The start date is the first date of service or treatment. An active course of treatment covers a certain number of services or period of treatment for special situations. Some active course-of-treatment examples may include, but are not limited to members who:

- Enroll with the plan after 20 weeks of pregnancy, unless there are specific state or plan requirements (Members less than 20 weeks pregnant whom the health plan confirms as high risk are reviewed on a case-by-case basis.)
- Have completed 14 weeks of pregnancy or more and are receiving care from a plan's participating practitioner whose network status changes.
- Are in an ongoing treatment plan, such as chemotherapy or radiation therapy.
- Have a terminal illness and are expected to live six months or less.
- Need more than one surgery, such as cleft palate repair.
- Have recently had surgery.
- Are being treated for a mental illness or for substance abuse. (The member must have had at least one treatment session within 30 days before the status of the member or the participating health care provider changed.)
- Have an ongoing or disabling condition that suddenly gets worse.
- May need or have had an organ or bone marrow transplant.

To be considered for TOC coverage, treatment must have started **before** the enrollment or re-enrollment date, or **before** the date your doctor left the health plan's network, or **before** the date a doctor's network status **changed**.

Q. What other types of providers, besides doctors, can be considered for TOC coverage?

A. This includes health care professionals such as physical therapists, occupational therapists, speech therapists and agencies that provide skilled home care services, such as visiting nurses. TOC is considered for participating hospitals only when the facility is not designated for the highest benefit level for plans that include tiered networks. TOC does not apply to other health care facilities (for example, skilled nursing facility), DME vendors or pharmaceutical items.

Q. If I am currently receiving treatment from my doctor, why wouldn't you approve my request for TOC coverage?

A. If you're receiving treatment, the procedure or service must be a covered benefit. Your doctor must also agree to accept the terms outlined on the TOC request form.

Q. My PCP is no longer a participating provider. If my plan requires me to select a PCP, can I still see my doctor?

A. If you're receiving treatment, you may still be able to visit your PCP, even if he/she leaves the network. In all states, except Texas and New Jersey, you may need to select a PCP in the health plan's network. In Texas and New Jersey, TOC may apply to PCPs. Talk to your PCP so that he/she can help you with your future health care needs.

Q. How long does TOC coverage last?

A. Usually, TOC coverage lasts 90 days, but this may vary based on your condition (for example, pregnancy). We will tell you if your TOC coverage request is approved and how long the coverage will last.

Q. How do I sign up for TOC coverage?

A. Contact the Member Services number on your member ID card. You must submit a TOC request form to the health plan:

- Within 90 days of when you enroll or re-enroll
- Within 90 days of the date the health care provider left the plan's network
- Within 90 days of a doctor's network status change

You or your doctor can send in the request form.

Q. How will I know if my request for TOC coverage is approved?

A. We will send you a letter via U.S. mail. The letter will say whether or not you are approved.

Q. Does TOC coverage apply to the Traditional Choice<sup>®</sup> or Medicare Advantage PPO ESA (extended service area) plans?

A. No.

Q. What if I have an Aexcel or plan sponsor specific network plan?

A. If we approve your TOC coverage, you may still receive care at the highest benefits level for a certain time period. If you continue treatment with this doctor after the approved time period, your coverage would be limited to what your plan allows. This means you may have reduced benefits or no benefits.

Q. What if I have more questions about TOC coverage?

A. Call the Member Services phone number on your ID card. If you have questions about TOC mental health services, you can call the Member Services phone number on your ID card or, if listed, the mental health or behavioral health number.

### 3. Authorization

I request approval for coverage of ongoing care from the health care provider named below for treatment started before my effective date with the health plan, or before the end of the provider's contract with the health plan's network, or before the provider's network status change. If approved, I understand that the authorization for coverage of services stated below will be valid for a certain period of time. I give permission for the health care provider to send any needed medical information and/or records to the health plan so a decision can be made.

|---|-------------------|
| Patient's signature (required if patient is age 17 or older)  | Date (MM/DD/YYYY) |

| Signature of treating doctor or other health care provider              | Date (MM/DD/YYYY) |

The above-named patient is a member as of the effective date indicated above. We understand you are not or soon will not be a participating provider in the health plan's network. The patient has asked that we cover your care for a specific time period. This is because of a condition, such as pregnancy, that is considered an active course of treatment. An active course of treatment is defined as: "A program of planned services starting on the date the provider first renders a service to correct or treat the diagnosed condition and covering a defined number of services or period of treatment and includes a qualifying situation." Please include a brief statement of the patient's current condition and treatment plan. For pregnancies, please indicate the estimated date of confinement (EDC). If we approve this request, you agree:

- To provide the patient's treatment and follow-up
- Not to seek more payment from this patient other than the patient responsibility under the patient's plan of benefits (for example, patient's copayment, deductibles or other out-of-pocket requirements)
- To share information on the patient's treatment with us

You also agree to use the health plan's network for any referrals, lab work or hospitalizations for services not part of the requested treatment. In New York state, the provider completing the form may not be leaving the network, but may request continuing care to be provided by a hospital that is leaving the network.
