

**IMPORTANT: This is a fixed indemnity policy,  
NOT health insurance**

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

**Looking for comprehensive health insurance?**

- **Visit [HealthCare.gov](http://HealthCare.gov) online** or call **1-800-318-2596** (TTY: 1-855-889-4325) to find health coverage options.
- To find out if you can get health insurance through your job, or a family member's job, contact the employer.

**Questions about this policy?**

- For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](http://naic.org)) under "Insurance Departments."
- If you have this policy through your job, or a family member's job, contact the employer.

## What is it?

Hospital indemnity insurance is a supplemental health product that may provide benefits if you or your covered dependent visit a hospital or intensive care unit (ICU) due to a covered illness or injury.

## Why is this coverage valuable?

Unexpected expenses can add up after an accident. This coverage provides cash to pay health insurance deductibles, transportation, childcare, and anything else you and your family need while you receive treatment and recover.
